The fun run will start just after the 10K at approx. 12.05pm. All runners will receive their medal when they finish. ALL children must be collected by an adult at this point. Please do not leave your child unsupervised while you run in the 10K, there are not enough marshals available to look after any children.

Medical Cover and First Aid:

The safety of our participants is paramount. There will be highly qualified medics from Artemis Outdoors available throughout the day. If you feel you require any medical care – before, during or after the event – please contact an event marshal. The First Aid tent is located at the start/finish line.

Medical Conditions:

Please complete the back of your race number with relevant medical conditions. If you have any type of condition or are currently taking medication please write a large 'MC' on the front of your race number and wear it on your front at all times.

Marshals:

Around the course and at the start and finish there are a number of event marshals (they will be wearing blue bibs). If you have any questions or queries please ask and they will be able to help you or can direct you to someone who can.

Water Stops:

There will be 2 water stops around the 10K course. These will be located at approx the 4Km, 6.5Km. There will be volunteers on hand to give out cups of water and Active Root energy drink. Please dispose of your cups at the tables or by the side of the path so they can be easily collected.

Distance markers and turn point:

Distance marker signs will be around the course every KM to help you judge your pace and so you know how far you have left to run, you can't miss them! At the first water stop there is a turn point. Run round the cone and back down the course, keep on the left-hand side, there will be marshals there to guide you if required.

Electronic Timing and Results:

Electronic Chip Timing is being provided by Perfect Timing Scotland. The race numbers contain a disposable timing chip, which will record your time, so it is important you don't swap numbers with anyone. This will enable all runners to receive an accurate finish time. You will receive an email and text message (if you have given your mobile number when registering) after the event when the results are available online.

Photography:

There will be an official event start/finish photographer present at the event to photograph all competitors along with a couple of 'roving' photographers. You will receive an email when these photos are available to view online. They will all be available to download for FREE from our website!

Finally...

There are a large number of people who are helping out with the event on the day and have volunteered their time to help make the event a success. Please give these people a smile and a 'thank you' as you run past!
